Contributions Reporting Application and Manual

The “Contributions Reporting Application” (CRA) is an automated system provided free of charge from the RSA to member agencies. This PC based software application is used to maintain TRS and RSA-1 contributions, balance data entry of monthly contribution changes, compute monthly remittance and generate monthly reports to RSA. CRA produces a “full report” which includes contributions for all employees for the month reported and generates an electronic copy of the report on 3 ½” diskette.

Versions of CRA are available for the Windows 95 and above operating systems.

Member Handbooks (ERS, TRS, State Police, and JRF)

A Member Handbook is mailed to each new member upon receipt of an enrollment form from the employing agency. A Handbook can be requested at any time. Each Handbook presents an overview of mandatory participation, creditable service, vesting, disability and service retirement, DROP, pre-retirement death benefits, and postretirement employment.

RSA-1 Deferred Compensation Plan Summary Plan Description

RSA-1 is a voluntary deferred compensation plan governed by Section 457 of the Internal Revenue Service Code. Each employing agency must deduct and report RSA-1 contributions to the RSA for those employees who wish to participate in the plan. The RSA will provide an SPD at the request of the member or the agency.

Deferred Retirement Option Plan (DROP) Brochure

The Deferred Retirement Option Plan (DROP) is a voluntary plan that allows members of the Teachers' Retirement System (TRS) to contract with the TRS to defer receipt of their retirement allowance and continue employment for a specific period of time. At the end

of DROP participation, the member may withdraw from active service and receive a retirement benefit based on his or her years of service credit at the time of enrollment in DROP plus a lump-sum payment of the amount in their DROP account. This brochure is a very useful tool when members have questions about DROP.

In February of each year, the RSA publishes the Annual Report. The report provides information about assets, investments, membership, the RSA Boards of Control, RSA departments, and financial statements.

Comprehensive Annual Financial Report (CAFRE)

The CAFRE, which is published annually, provides more detailed financial and actuarial information about the RSA.

RSA Newsletter

Comparisons of insurance and retirement benefits provided by other states and current information regarding Social Security, taxes and Alabama's economic and political climate are also featured.

RSA Web Site (www.rsa.state.al.us)

The RSA Web site publishes RSA's Summary Plan Descriptions, the *Advisor*, Annual Reports and information about the ERS, TRS, PEIRAF, RSA-1 and PEEHIP benefits. Annual Statement of Account

The TRS provides each member a Statement of Account for the year ending June 30. The statements are sent to the last employer for which contributions were posted for June for distribution to RSA members.

The Statement of Account verifies current year contributions and accumulated interest. The total service credit, interest, service purchases, previously taxed contributions, non-taxed contributions, and balance are also provided. The member's designated beneficiary, mailing address, and change of address as of June 30 are listed.

RSA-1 Statement

For those electing to participate in the RSA-1 Deferred Compensation Plan, a statement is sent to the member's mailing address semi-annually. The statement verifies the balance and earnings as of March 31 and September 30. The member's designated beneficiary is also listed.

Retirement Legislation

After the close of each legislative session and a legal interpretation of the law, the TRS will notify each participating agency of legislation that was enacted during the session. The notification will provide the numbers of each act as well as a summarization of the law.

Postretirement Employment Notification

Each year, the TRS provides the participating agency information regarding postretirement earnings limitations and the requirement for certifying postretirement employment information.

The law mandates that the employer notify the TRS when a retired, RSA member is employed full-time. If the retired, RSA member is not employed full-time, the agency must notify the TRS when the retiree's earnings exceed the earnings limit.

Terminated Account Information Request

The TRS may request mailing address information from participating agencies about former employees whose retirement account has been terminated due to an absence of participation. The TRS reviews terminated accounts throughout the year and will try to locate the former member to be able to return contributions. Vested accounts (with 10 years of service) will not be terminated.
